BETTER OPPORTUNITIES FOR SINGLE SOLDIERS (BOSS) PROGRAM POLICY

1. The Better Opportunities for Single Soldiers (BOSS) Program is a mandated Department of the Army Program to enable Army leadership to assist single and unaccompanied soldiers. AR 215-1 and DA Circular 608-01-1 explain the BOSS Program. BOSS provides input and feedback between the single and unaccompanied soldier, MWR staff, and the command concerning opportunities for and needs of single soldiers.
2. Policy.
 - a. The BOSS committee, comprised of single soldier representatives, will meet bi-weekly for planning and implementing activities for single soldiers in accordance with their Standard Operating Procedures.
 - b. The BOSS will implement a quarterly forum for all single soldiers to discuss issues, share ideas, and resolve previously discussed issues.
 - c. Commanders and directors will allow any single soldier to attend scheduled BOSS meetings and forums, unless critical essential missions preclude attendance.
3. The Post CSM will ensure WSMR has a strong BOSS Program, and all single soldiers are encouraged to become actively involved in your BOSS Program.
4. This guidance supersedes CG-04-95, 13 Jan 95.
